- Swiss Academic
- male, born 1971
- calm creator
- creative knowledge worker

## Profile

Anyone who relies on experience, i.e. years of practical routine, and would like to buy it globally as cheaply as possible does not look for me. That suits me fine, because personally, I prefer an environment with fairly paid, broadly trained, creative knowledge workers.

### School and University

1996 KME: High-School, Matura-Diploma  
2004 ETH: Mechanical Engineering, Master's-Degree  
2018 UZH: Informatics, no formal diploma \*
